CITY CLERK
HONOLULU, HAWAII**Subject:** City Council Meeting Speaker Registration

I support Bill 10 in the ban of plastic bag use for its negative effects on the environment. This ban will be very effective in Oahu for we are the greatest consumer of oil in which is need to produce plastic bags. The less plastic bags we use locally will contribute to the global goal of using less oil and using more renewable resources. Studying about the negative effects of imported oil has shown that imported oil negatively affects our environment and our economy. Eliminating plastic bag use from Oahu will decrease the amount of direct and indirect oil consumption of Oahu.
